

# CLEAR VIEW LOCKERS

**Clear View Lockers** feature 3.5mm polycarbonate see-through door panels, offering secure storage while allowing for visual inspection of the locker contents. Similarly constructed as our Traditional locker collection, Clear View lockers are available in single-, double-, triple-, six- and sixteen-locker configurations. Ideal for convention center, retail back-room and other applications where content visibility is desired, Clear View lockers may also be equipped with coin-locks for day use.

## STANDARD FEATURES

- Stainless steel recessed handle for safety
- Continuous full-length hinge for security
- 2 mil powder coated in any of 15 designer colors
- Rubber door silencers for quiet operation

## 15 DESIGNER COLORS
